Chamber Takes Steps to Clean Up Business Area

Definite steps in the campaign to clean up Orinda's commercial area were taken yesterday by the Orinda Chamber of Commerce board of directors who met at Casa Orinda at noon.

Ned de Laveaga was given $12 representing contributions of members present, for immediate hiring of an individual to police the Crossroads and Orinda Village area of all scrap paper.

A FURTHER DECISIVE step was appointment of Frank Olsen to obtain information on prices and availability of trash receptacles.

Owners of the unused commercial properties in the business districts will be contacted in a personal appeal to have the lots cleaned off as a matter of public service and fire prevention.

Executive Secretary Andrew Blalock was instructed to have signs prepared with an appeal to the public not to discard refuse.

"WE RESPECTFULLY and urgently appeal to the public to assist in maintaining the commercial area on a par with our fine residential area," the chamber asks.

The board was spurred on to immediate action in cleaning up the business area following an address by Inspector William Koch of Orinda Fire District at their last session when he showed factual pictures of the unsightliness and hazards presented by the accumulations of rubbish.

Next meeting of the chamber will be held at Casa Orinda September 6. President Ramsay Underwood has instructed all members to be prepared to discuss and present plans to assist with Orinda's critical parking problem.

Reversed Street Directory Being Issued in Orinda

A "Reversed Street Directory" for Orinda, a project of a Walnut Creek woman and an Alameda woman, is scheduled to be ready this weekend.

Endorsed by the Orinda Chamber of Commerce as something it believes "will fill a definite community need," the Reversed Street Directory is a complete listing of Orinda residents, according to address. It has been prepared by Lillian Glendinning of 2089 Diablo Drive, Walnut Creek, and Manette Jaffe of Alameda.

Streets are listed alphabetically. Under the heading of each street, the addresses art listed numerically. With each address is given the name of the resident and the phone number, if there is a phone; if there is no phone, the notation "No phone" appears.

In addition, a separate section of the directory lists the businesses of the community, according to type.

THE DIRECTORY, Mesdames Glendinning and Jaffe point out, contains no advertising. Revenue will come solely from sale of the book.

Mrs. Glendinning and Mrs. Jaffe, both of whom have had experience in the field division of the U. S. Department of Commerce, working out of the Oakland office, have been working on the project for more than three months. Phone calls and house calls have been their method of operation.

"We've picked up several hundred new phones not listed in the latest telephone directory," Mrs Glendinning said.

THE TWO WOMEN state that this is the first such residential listing for this area. In larger cities, reversed directories have been issued for the Oakland, San Francisco, Sacramento and Los Angeles areas.

Mrs. Glendinning and Mrs. Jaffe explained their project at the August 2 meeting of Orinda chamber directors. Approval of the chamber is stated in a letter signed by Executive Secretary A. D. Blalock:

"The Orinda Chamber of Commerce takes pleasure in indorsing the Reversed Street Directory.

"In the absence of similar publications, we believe this project will fill a definite community need."

If the directory "goes over," Mrs. Glendinning and Mrs. Jaffe plan to revise it later, to bring it up to date.

Last October they compiled a similar directory for Gregory Gardens, Wedgewood Acres, El Rancho Diablo and Fair Oaks, all in the Concord post office area. Recently they brought this up to date, adding some 450 new names.

Young Swimmers At Park Pool Set For New Meets

Boy and girl swimmers of Orinda Park Pool are busy perfecting their strokes in readiness for the pool championship meet September 2 and the annual competition with Orinda Country Club swimmers September 9.

An intramural meet held at the Orinda pool August 5 found the swimmers in good form, with the following winners announced:

25-YARD FREE STYLE — Boys 6 and 7, David King; girls 6 and 7, Joyce Bailey.

Boys 8 and 9, Paul King, 1st; Johnny Coates, 2nd; girls 8 and 9, Judy Courtright, 1st; Mary De Wolf, 2nd.

Boys 10 and 11, Duval Giessler, 1st; Roger De Wolf, 2nd; girls 10 and 11, Sheri Elder, 1st; Ginny Matey, 2nd.

Boys 12 and 13, Roger Stocker; girls 12 and 13, Georgianna Watkins, 1st; Judy Parker, 2nd.

Boys 14 and 15, Johnny Spiegl, 1st; Jim Watkins, 2nd; girls 14 and 15, Sue Small.

25-YARD BACK STROKE — Girls 6 and 7, Hester Harris, 1st; Joyce Bailey, 2nd.

Boys 8 and 9, Johnny Coates, 1st; Paul King, 2nd; girls 8 and 9, Judy Courtright, 1st; Jackie Conda, 2nd.

Boys 10 and 11, Duval Geissler, 1st; Roger De Wolf, 2nd; girls 10 and 11, Sheri Elder, 1st; Ginny Matey, 2nd.

Boys 12 and 13, Roger Stocker; girls 12 and 13, Georgianna Watkins, 1st; Lucy Hupp, 2nd.

Boys 14 and 15, Johnny Spiegl, 1st; Jim Watkins, 2nd; girls 14 and 15, Sue Small.

Boys 16 and up, Stanley Pedder, 1st; Carl Drews, 2nd.

25-YARD BREAST STROKE — Boys 10 and under, Roger De Wolf, 1st; Punky Giessler, 2nd; girls 10 and under, Ginny Matey, 1st; Sheri Elder, 2nd.

Boys 11 and over, Jim Watkins, 1st; Carl Drews, 2nd; girls 11 and over, Georgianna Watkins, 1st; Sue Small, 2nd.

JOHNNY SPIEGL came in first in the boys' 50-yard free style, with Jim Watkins taking second place honors.

In the girls' 50-yard free style, Sue Small placed first, with Georgianna Watkins second.

Promise Action on Highway Widening

Arrangements are being made for the long-awaited widening of Moraga Highway from Golden Gate Road to Camino Encinas, the Board of Supervisors stated Wednesday.

County Road Commissioner Joseph W. Barkley was instructed to write to the Orinda Association, informing it that this widening would be a county project in the near future. It was pointed out that $3,000 is included for the job in the proposed 1951-52 county budget.

The project, for which the Orinda Association has been pushing for over a year and a half, would mean a maximum widening of some five feet in front of Sprouse-Reitz and Orinda Hardware stores and installing of curbs there; the widening would taper down at the Camino Encinas and Golden Gate Road ends.

Discussion of the subject at Wednesday's continuation of the supervisorial meeting which started on Monday was prompted by a letter from the Orinda Association asking for speeding up of the time-schedule for the job, which is considered an important step toward alleviation of traffic and parking jams.

THE ASSOCIATION LETTER also asked if the county would install "Stop for Pedestrians" signs on Moraga Highway at Black's Market and in front of the Orinda Theater or if it would permit the association to erect such signs.

Barkley was to reply, in his answer to the association, that the county has no objection to installation of "Stop for Pedestrians" signs by private groups or individuals, provided that some responsible person install and maintain them.

However, the county did not offer to install the signs.

ALSO READ AT Wednesday's session was a communication from Standard Oil Company requesting the county to apply for an encroachment permit so that Standard Oil might repair a section of Davis Road and Mt. Diablo Boulevard, near the Crossroads.

Barkley said he would reply that the permit application would be presented to State Division of Highways for approval.

Originally, both these items were on the agenda of the Board of Supervisors meeting scheduled for last Monday. But because the board was unable to complete the lengthy agenda on Monday, the meeting was continued to Wednesday.

Blinker-Advice At Tunnel? Idea Goes to Capital

Suggestion by Leon Woolsey of Orinda that blinker-warnings be placed at each end of the Tunnel, advising emerging motorists to check their lights, will be considered by state highway authorities at Sacramento.

Observing that as many as "eight out of 10" motorists kept their lights on when emerging from daytime runs through the Tunnel, Woolsey suggested to the California Automobile Association that blinker-signs saying "Check your lights," be placed at each end of the Tunnel.

The California Automobile Association thought it was a pretty good idea, and said it would send the suggestion on to Sacramento.

Cigaret Believed Car Fire Cause

A carelessly tossed lighted cigaret landing in the upholstery was believed responsible for an automobile fire last Saturday morning midway between Orinda Crossroads and Charles Hill Road, on Mt. Diablo Boulevard, according to Assistant Fire Chief Al Winsor.

The back seat of the car was burned, Winsor reported. The blaze, which was reported at 11:35 a.m., was quickly extinguished.

Winsor said the department did not know to whom the car belonged. No occupant was present at the time.

Six men and two pieces of equipment from the Orinda Fire Department promptly put out a small grass fire along Mt. Diablo Boulevard about a quarter of a mile east of the Tunnel the afternoon of August 9.

The firemen fought the flames for 20 or 30 minutes, Winsor said. A discarded lighted match was believed to have caused the fire, which burned an area on the north side of the highway. The burned area was between 200 and 300 feet long and extended to the creek.

Alarm for this blaze was sounded at 3:20 p. m.

New Fire House Completed; Department Expects to Start Moving In on Monday

Orinda Fire Department will probably start moving furniture and equipment into the new Fire Station No. 2 at Orchard Road and Moraga Highway on Monday, Assistant Fire Chief Al Winsor stated today.

Last remaining detail of construction, cement work for the driveway and walks, was completed this week, Winsor said. "It will take a few days until the trucks can run over the pavement," he added.

THE $24,825 structure was built for the Orinda Fire District by Hancock Construction Company of Lafayette. Work on the project was started in late March.

Winsor will be in charge of the new station, with two full-time men on duty on both shifts, in addition to himself.

PENDING DELIVERY of two new pumper trucks being built for station No. 2, two of the four trucks now at the main station in the Village will be transferred to the new fire house .These will be returned to station No. 1 when the new trucks are delivered, which is expected to be the middle of next month.

The new trucks are being constructed by Coast Manufacturers of Concord.

AT THE NO. 1 station Chief H. E. Wyatt will direct a six-man day crew and a four-man night force. Regular equipment there, after the new trucks are at station No. 2, will be four trucks, a fire rig pickup and the chief's car.

Architect for the new fire house was Jack Buchter.

Bakeries Donate Unsold Pastries To Hospital GI's

Cooperation of three bakeries in this area has made every Wednesday evening a super-duper accasion for convalescent servicemen at Oak Knoll Naval Hospital.

Each Wednesday, around 6 p. m., two Gray Ladies from the hospital, Mrs. John B. Phillips of 2138 Hillside Drive, Walnut Creek, and Mrs. Alan Young of 475 Muller Road, Walnut Creek, drop in at the Sugar Plum and Keller's Bakeries in Walnut Creek and the Orinda Bakery in Orinda.

Each of these places turns over to the two women — free — the unsold bakery goods and pastries from that day.

Mrs. Phillips and Mrs. Young take the "goodies" to the G. I.'s at Oak Knoll.

This has been going on for several months — and the boys love it, according to Mrs. Phillips. The bakeries get a kick out of it, too. "I have a hunch that the bakeries bake just a wee bit more than usual on Wednesdays," Mrs. Phillips says. "They give us so much that it's hard to believe that that much is just unsold.

"The bakeries are grand about this, and the boys at Oak Knoll certainly appreciate their generosity."

EBMUD Tax Rate Set at 29 Cents

The tax rate of the East Bay Municipal Utility District for the fiscal year 1951-52 has been established at 29 cents per $100 of assessed valuation, an increase of four cents over the 25-cent rate of the last fiscal year, it was announced this week by Louis J. Breuner, president of the EBMUD Board of Directors.

In commenting on the increase, Breuner stated that the additional four cents is necessary to raise approximately $390,000 that had previously been paid to the district by the municipalities and fire districts for fire protection services.

Formerly the cities and fire districts were assessed an annual charge by the district for this service. The charge was terminated July 1 of this year, and the costs assumed by the utility district. Hereafter, the cities will pay only the installation costs of new hydrants.

Breuner said, "This is actually a transfer of charges previously assessed against property by the municipalities and fire districts. Whereas, in past years, the cities and fire districts have collected this amount through their own taxes, it will now be a part of the utility district's tax rate."

Breuner noted that the 29 cents for the 1951-52 fiscal year is still considerably below the 50-cent rate established for EBMUD in 1929, when the district first began operation.

State GOP Will Meet Nov. 16-17 In San Diego

Chairman T. H. DeLap and Vice-Chairman Laughlin E. Waters of the Republican State Central Committee announce they have called a meeting of the full California G.O.P. organization for November 16 and 17 in San Diego.

"The meeting of the State Committee will be extremely significant and it is expected to have the largest attendance ever presnt at such a political gathering in California, DeLap and Waters said.

"Invitations to speak have been extended to several nationally prominent persons.

"Some of the important business to be taken up at the November session will include the making of arrangements and plans for the Republican National Committee meeting in San Francisco next January 17-19, the consideration of plans to be recommended by the California Republican Party for inclusion in the 1952 Republican platform and the discussion of plans for financing the 1952 campaigns of Republican candidates."

Headquarters for the G.O.P. meeting in San Diego will be the U. S. Grant Hotel.

Five regional vice-chairmen of the Platform Committee of the Republican State Central Committee have been appointed by DeLap.

Protests Result In Denial of Turner Request

Because of some 10 letters of objection, including protests by the Moraga del Rey Community Association, the Planning Commission Tuesday night recommended denial of William H. Turner's request for a permit for three lots of less than a half-acre each, according to Planning Technician Tom Heaton.

Turner's application, for lots 6 and 7 of Moraga Del Rey, in an R-A (half-acre) district, stated that each of the proposed three lots would be approximately 16,000 square feet in area and 100 feet in width.

The objections, Heaton said, declared that the proposed lots would be unsuitable for dwellings, since the reduced land size would cause the lots and dwellings to be out of conformity with the surrounding area.

Recommended for approval by the commission was William F. Beckett's request for a four-foot side yard for his garage near the intersection of Miner Road and Lombardy Lane, in Sleepy Hollow.

Truck Springs Sheared Off in Crash – No Injury

Return trip for a Diamond K. Supply Company truck proved to be exciting for Driver Jack Glendon late Monday afternoon when the rear of the truck was hit by a car on Camino Sobrante.

Glendon was coming down Camino Sobrante with the empty truck, on his way back from Orinda to Lafayette, when a car coming up the road, driven by H. F. Eickmeyer of 2 El Caminito, ran into the rear wheels of the truck.

The impact sheared the springs off the truck and knocked one of the wheels sideways. No one was reported injured. The accident occurred about 5 p. m.

Another Monday crash occurred at 6 p. m. on Mt. Diablo Boulevard a short distance east of Charles Hill Road, according to the California Highway Patrol.

Drivers in this collision, in which there were no injuries, were Roberta E. Jackson, 55, Oakland, and Althon Ward, 37, Oakland.

Charles Fred Luffel, 49, of 7 Arbor Way, Lafayette, was involved in a no-injury crash with Erwin Richard Kelley, 46, of Walnut Creek August 8 on Old Tunnel Road 400 feet south of Moraga Highway, the Highway Patrol reported.

Apparently minor injuries were sustained August 7 by Don A. Anderson, 31, of Berkeley, when the car he was driving collided with one driven by John W. Hancock, 40, of Oakland, at Moraga Highway and Vista Del Moraga, according to the patrol.

County Takes 2 Roads In Sally-Ann Meadows

On recommendation of County Road Commissioner Joseph Barkley, the Board of Supervisors Monday accepted Sally-Ann Road and Parkway Court, in Sally-Ann Meadows, as county roads.

Plans Start Rolling for Annual Barbecue of Lions Club Sept. 8

With success of previous barbecues as incentive, Orinda Lions Club made preliminary plans for this year's event at their session at Orinda Willows August 8. The barbecue will be held at Carroll Ranch September 8, 7 p.m.

Walter Friberg was named general chairman of the annual affair, and the following committee heads and assistants were appointed:

Tickets — Paul Vashell, chairman; Henry Carr, Jack Cooper, Jack Thies and Al Eberlin; food — Joe Navone, chairman; Jim Lucas, Bob Frolich, Jack Cooper, Matt Allen and Warren Detloff; supplies and utensils — George Hartzell, Jr., chairman; Ed Turk and Dr. Herbert Wise; refreshments—Tommy Snow, chairman; Bart McMahon, Roy Nason, George Curnley and "Mac" McVicker; entertainment — Nathan Gray, chairman; Carl Miller, Austin Little, Rudy Rasmussen; prizes — Tom Pauli; publicity — Andy Blalock; cleanup — the entire Lions Club membership.

Invitations have been sent to other area clubs, inviting Lions and their ladies to this affair.

A number of prizes will be awarded, including six lubrication jobs donated by Jim Hendrickson and Marsden McDonald of Orinda Motors, two free dinners given by Milt Nelson of Orinda Willows and a steam bath and massage treatment offered by Dorothy Marshall of the Village Beauty Studio.

Planners OK Site At Washington Ln. For Third School

Application of Orinda School District for approval of the 14-acre site it is eyeing near Sleepy Hollow for a third elementary school was granted by the County Planning Commission Tuesday night.

The letter of request from the school district and the planners' okay are considered by school authorities as an important preliminary step in the district's plans for opening of an urgently needed third school by the fall of 1952.

THE LAND BEING sought is at the west end of Washington Lane. Negotiations have been going on between the school board and the East Bay Municipal Utility District, owner of the property.

The parcel is just outside Local Improvement District 22, now being developed by the Contra Costa Sanitary District.

THIS FACT and the topography of the area have caused complications in negotiations, it has been pointed out by Superintendent of Schools Joseph L. Sheaff. Sewage from a school at that site would have to be pumped over an incline to sanitary district lines now being installed.

The school board originally agreed to be responsible for the pumping facilities, but recently, at suggestion of E.B.M.U.D., asked the sanitary district if it would take over operation and maintenance of those facilities. The sanitary district board said no.

Building of Four Homes OK'd for Inland Valley

Nine building permits issued for Orinda area early this month included a single permit covering two residences and garages at the same estimated cost, $8,640; single permits for two other residence-garage units in the same area, issued to the same owner, and five similar building o.k.'s to individual owners.

Owner and Builder R. Platt, 228 Brookwood Road, was granted permission to construct the four residence-garage units, the two at $8,640, one at $8,280 and the fourth at $10,218, all at Inland Valley.

Individual o.k.'s were granted to: Owner and Builder Cedric E. Erickson, Lafayette, Lot 487, Los Delos and El Pular, Hacienda Del Orinda; estimated cost, $10,650.

Owner Pingree Investment Company, Oakland, Lot 160, Lombardy Lane, Buildtr Blake Construction Company, Orinda; estimated cost, $9,660.

Owner S. J. Madeiros, Oakland, Lot 28, Meadow Lane and Glorietta, Moraga Meadows; Builder F. Kirkham, Shady Lane, Walnut Creek; estimated cost, $8,004.

Owner and Builder C. E. Phillips, Irving Lane, Lot 133, Van Ripper Lane, Sleepy Hollow; estimated cost, $9,903.

Remaining o.k., for a private garage, was granted Owner and Builder W. F. Beckett, Jr., No. 1 Brookbank Road, Lot 3; estimated cost, $1,440.

Insurance Agents To Install Sept. 10

Annual elections of the Contra Costa County Association of Insurance Agents will be held September 10 at the Las Palmas Hotel, it was announced this week by Gene Williams, retiring president of the group.

At last Monday's meeting of the group nominations were opened with Ed Prewett, Brentwood, nominated as new president; Irving McGill, Walnut Creek, vice president; Margaret Hull, Port Chicago, secretary - treasurer. Retiring president Williams of Walnut Creek and H. T. "Doc" Crandall, Lafayette, were nominated as directors to complete the executive committee. Chairman of nominations was Cappy Ricks of Martinez.

The September meeting will be a regional meeting with officers of the California State Association of Insurance Agents attending to install new officers and report on insurance problems throughout the state.

Phone Rate Hike Of $14,500,000 Asked by Company

Rate raises totaling $14,500,000 a year were sought last week by the Pacific Telephone and Telegraph Company, in a petition filed with the California Public Utilities Commission.

Recently granted wage increases make the rate boosts necessary, the company contended.

Included in the rate hikes for which authorization is asked are:

Raising of local pay telephone calls from 5 to 10 cents; 30-cent upping per month for one-party home service; 25 cents for two-party home service; 20 cents for four-party home service; 15 cents for farmer-line service; 75 cents for one-party business service; 50 cents for two-party business service.

When it filed the petition August 6 the company withdrew a previous petition for rate increases calculated to boost revenue by $36,000,000. This earlier request was turned down by P. U. C. last fall, but in January the company was allowed to reopen its case.

3 JC Buses OK'd but 2 of Them for Nurses

Purchase of three school buses for the Contra Costa Junior College District was authorized recently by the Board of Trustees.

PT&T Rate Hike Hearing Sept. 6

Commissioner Peter E. Mitchell of the California Public Utilities Commission, notified interested state, city and county officials of California Wednesday that "it is the commission's desire to afford all interested parties an opportunity to be heard" on the recent application of the Pacific Telephone and Telegraph Company for an intrastate rate increase of $14,500,000 on an annual basis.

Mitchell has been appointed by the commission to preside at the public hearing on the application which is due to open at San Francisco September 6 at 10 a. m.

In the same notice to the interested officials, Mitchell reported that the utility has been directed to furnish interested parties with complete sets of its proposed exhibits not later than August 27, providing that Mitchell receives notice that such exhibits are wanted by the parties.

Fain Talks to Orinda Rotary

An interesting account of his baseball career given by Ferris Fain of the Connie Mack Athletics highlighted Orinda Rotary's weekly luncheon session Wednesday at the Willows, according to A. K. Pettengill, publicity chairman.

"Victory Through the United Nations" was the subject chosen by Dr. Otto J. M. Smith, associate professor of electrical engineering at the University of California, for his discussion at last week's meeting. He gave an enlightening insight into the work of the United World Federalists.

Earlier in the month, Orinda Club was host to District Governor Dr. C. E. Rutledge, who was making his annual round of visits.

Orinda Country Club Celebrates 26th Birthday--3 Homes Underway in 1925!

In commemoration of its first social function, an event of August 29, 1925, Orinda Country Club feted its natal month with a giant birthday party for members August 5.

Twenty-six candles representing each year of the club's existence decorated the special birthday cake prepared for the event.

The lighted cake was wheeled majestically around the dining room of the club, along the porch, lounge and library, so each guest attending the informal dinner-dance could be served a slice of the confection by its clever baker.

Floral decorations prepared especially for the anniversary celebration added attractive color to the rooms and tables where the guests dined and danced.

Among those entertaining guests at the party were Mr. and Mrs. Aubrey Sweet, Dr. and Mrs. John Gompertz, the J. D. Bryans, Mr. and Mrs. R. D. Bonnington and the O. Morgan Williams'.

Included in the group sharing a no-host table in the library were Messrs. and Mesdames William McGuire, John Bannister, Frank A. Olsen, John B. Barchfield, James A. DeArmond, Harry Oliphant, George Thomas, Robert J. Maddux and L. E. Collins.

MORE THAN 500 members and their families gathered at the first formal dinner-dance at the club in 1925, in an era when three homes were in process of construction nearby and "rapid growth" was a topic of conversation, with report that 50 more were to be built within that next year.

And Orinda has grown since then far more than those first members ever dreamed.

EACH WEEKEND, the club is the mecca of hundreds who golf, swim, sip cocktails or enjoy the variety of foods prepared in the club kitchens.

One of the other festivities of this birthday month was the golfers' luncheon last Sunday following a four-ball foursome, when participants and the gallery lunched, with informal dancing and cocktails a late afternoon feature.

Ex-Dons Appear Good Material For Cal Varsity

Lynn Waldorf at the University of California has issued the call for football players to report September 1. All candidates will be put up in a dormitory until school starts in mid-September.

Lloyd Torchio, former Acalanes thlete, will be a freshman at Cal but the frosh rule has been waived and he will be eligible for varsity.

Jay Forni is another Don who will be out for a position on the varsity squad after a season with the Cal Frosh in '50.

Jay had an accident which handicapped him, but in working out at the high school he appears to be as good as new and ready to go.

JOBS AT McCLELLAN

The U. S. Civil Service Commission announces an examination for indefinite appoitments to the positions of junior electroplater, electroplater, and sandblaster. The positions are at McClellan Air Force Base. Application forms and further information may be obtained from any first or second class post office throughout Northern California.

CALENDAR OF EVENTS

SATURDAY, AUGUST 18

Cub Pack 52, picnic for members and parents, Acalanes High School, 10:30 a.m.

SUNDAY, AUGUST 19

Services at Orinda Community, St. Stephen's Episcopal, Santa Maria and Christian Science Churches. (Masses at Santa Maria, 7, 8, 9, 10:30 and 12:15.)

League of Jewish Women, family picnic, Live Oak picnic area, Mt. Diablo State Park, 11 a.m.

MONDAY, AUGUST 20

Orinda Association, Civic Affairs Committee, Orinda Grammar School, 7:45 p.m.

TUESDAY, AUGUST 21

Boy Scout Troop 207, Scout Hut, 7:30 p.m.

WEDNESDAY, AUGUST 22

Lions Club, Willows, 7:30 p.m.

Rotary Club, Willows, 12:15 p.m.

Barbershoppers, Orinda Roost, 8 p.m.

THURSDAY, AUGUST 23

Orinda Fire Board, Orinda Fire House No. 1, Orinda Village, 8 p.m.

Boy Scout Troop 200, Scout Hut, 7:30 p.m.

Kid Vandalism Keeps Sheriff's Men A-Hoppin'

Sheriff's deputies will be among those who will breathe sighs of relief when school reopens next month, it was clearly indicated this week by Inspector Norman Wilson.

One of the activities which have been plaguing the sheriff's office in recent weeks, according to Inspector Wilson, is destructive juvenile vandalism by energetic youngsters who, he says, apparently suffer from "a lack of something to do."

"We've been spending about 40 per cent of our time investigating these examples of 'little vandalism'," he said. "The damage is perpetrated by youngsters from kindergarten age up. Parents are the ones who should put a stop to this, and we appeal to parents to cooperate with us."

ONE OF THE FASCINATING "stunts" by area youngsters this summer has been punching holes in boards of new homes under construction, Wilson said.

A recent case which has been investigated is that of destruction of several circular concrete ornaments outside "Casa de Imagen," St. Mary's Road home of W. E. Hughes.

As reported to the sheriff's office by Hughes, he found about six of these stone ornaments smashed one morning recently, the pieces strewn over the grounds.

The night before, when he was in bed, he heard voices of a number of boys and girls outside his place, he said.

Hughes has offered $25 reward for information about this vandalism.

The concrete balls, each 16 inches in diameter, were placed some six feet apart from one another, as a fencing.

SHOOTING WINDOWS OUT of homes under construction is another phase of juvenile vandalism which has kept the sheriff's men hopping.

One of the recent examples of this was the smashing of 10 aluminum-framed windows of special make, valued at $250, at a $90,000 residence being built at Estates Drive and Canyon Road in Upper Happy Valley for Paul Casper, Oakland's "hamburger king."

Discovery of the destruction was made by Edward G. Romley of Walnut Creek, the contractor.

Woman Realtor's Role Discussed

It was Ladies' Day at the breakfast meeting of Contra Costa Real Estate Mart at El Nido Racho Monday morning. Prexy Helen Haines of the Women's Division was in charge of the program for the session.

Guest speaker was Vida Herrold; she and her husband form the realty firm fo Herrold and Herrold. Mrs. Herrold, head of the Women's Division of the Northern California Real Estate Association, discussed the woman realtor's part in the real estate business.

Following the customary group tour, this week to Walnut Creek, Mrs. Haines entertained Mrs. Herrold and Patricia Drew of the local board at luncheon at El Nido.

YOU WON'T WORRY ABOUT VITAMINS if your diet includes a variety of the many vegetables which will be exhibited at the California State Fair in Sacramento, August 30 through September 9. Here, pretty Nancy Bogdan holds aloft samples of some of the scores of vegetable species which will call attention to California's agricultural supremacy.

Festival's Art Show Sculpture Prizes Total $225 As Officials Select Jury

Prize money totaling more than $225 will be awarded for sculpture at the Walnut Festival Art Show next month according to Exhibit Chairman Alice Breuer.

Distinguished artists on the jury of selection for the sculpture exhibit include Richard O'Hanlon, from the University of California art department; Henry Crotty, of California College of Arts and Crafts, and Zygmund Sazevich, of the Mills College art department.

Principal award will be $100 in cash donated by the Art League of the Eastbay, according to Mrs. Stanley Friden of Diablo who is in charge of sculpture prizes.

OTHER MEMBERS of the sculpture committee include Mrs. John P. Garretson and Mrs. William Greuner, Jr., of Lafayette; Mr. and Mrs. Mort Brown and Mrs. L. C. Scharmer of Walnut Creek, and Robert Cowdin of Berkeley.

"Sculpture will form an important and extensive part of the art showing which will include paintings, ceramics, photography, jewelry, architecture, weaving, gems, screen painting, children's art and art in action," Chairman Breuer said.

Mrs. Breuer is associate director of the East-West Arts Gallery and instructor at the Rudolph Schaeffer School of Design in San Francisco. She was formerly a member of the Mills College art department and was associated with both the San Francisco Museum of Art and the DeYoung Museum.

THE FESTIVAL sculpture exhibit is now being collected at the San Francisco Art Museum and at Swasey's in Berkeley. Exhibitors should have their entries at one of these two stations by September 6, Mrs. Breuer warns.

Members of the sculpture jury will meet September 8 and awards will be made September 14. The Festival Art Show will be held September 20, 21, 22 and 23.

Entry blanks will go in the mail this week. Interested sculptors may contact any of the committee members.

Women of Mart Hear Speaker

Our community real estate women are going to know more about answering a telephone than their bosses following next Wednesday's luncheon meeting of the Women's Division, Contra Costa Real Estate Mart.

The luncheon will feature an illustrated lecture by Charles Yeager on answering the telephone. He will illustrate with a film entitled "Rehearsal."

The meeting will be held at Hal's Place in Lafayette at 12 o'clock noon. Men are invited to attend.

Girl Scout-Boy Scout Drive Opens Sept. 24

To build and develop the scouting program of this entire area, the annual combined finance campaign of the Diablo Valley Area Girl Scouts and the Diablo District Boy Scouts will get under way on September 24.

Goal this year is $35,000.

Area to be covered includes Walnut Creek, Lafayette, Orinda, Pleasant Hill, Ygnacio Valley, Alamo, Danville and Diablo.

"PURPOSE OF THE annual combined drive is to build and develop the scouting program of the entire area," Mrs. J. Wayland Barnette of Lafayette, general chairman of the campaign, explained.

"Our only source of income is from this annual drive. It costs $10 to put one boy or girl through the scouting program for a year.

"THE TWO SEPARATE organizations—Girl Scouts and Boy Scouts—are joining together to make one plea. There is no Community Chest to act as collecting agency in this area, so we are dependent upon this drive."

Mrs. Barnette said that the joint Girl Scout-Boy Scout campaign is endorsed by the chambers of all communities in the area.

"Names of the various chairmen will be announced as soon as definitely established," she continued. "Anyone interested in helping can phone me at Orinda 8176."

Mel Nielsen is publicity chairman for the drive.

HS Band, Under New Director, Starts Practice

When school starts in the fall many Acalanes High students are going to be surprised at the improvement of the high school band. The band started practice Monday night at Acalanes under a new director, Richard C. Hansen.

In three or four years with the students' help, Hansen plans to have an 80 or 90-piece band, a 40 or 50-piece orchestra, a baginning band and a dance band.

Any student who can play an instrument is welcomé to come to practice every Monday night.

Hansen plans to have the band perform at all the football games, if at all possible.

Subdividers Can Be Required to Install Hydrants

Installation of fire hydrants in new subdivisions can be required of subdividers by the county, according to a legal opinion received last week by the Board of Supervisors.

Deputy District Attorney Matthew S. Walker gave the opinion, following a request by the Lafayette Fire District as to whether the county's subdivision ordinance "may be amended to require the subdivider to install" hydrants.

Action on the matter has been postponed by the supervisors until September 11, when the proposed sewage disposal ordinance is also scheduled to come up.

"It is our opinion," Walker stated, "that the installation of necessary fire hydrants is within the statute definition of 'improvement' as utilities to be installed for the general use of lot owners in a subdivision."

Diablo a Devil For Red-Faced Buchanan Airmen

Airport Manager Noble "Buck" Newsom Jr. of Buchanan Field and Aviator Fred Anthon of Concord are still blushing today.

Their red faces are due to their appearance on a radio quiz show staged by KSFO from the Old Hearst Ranch near Pleasanton last Sunday as part of a Dude Ranch Breakfast advertising Buchanan Field's forthcoming Fifth Anniversary celebration.

Because they didn't know how high Mt. Diablo was, Anthon had to be satisfied with a prize of a dozen eggs and Newsom won only a slab of bacon.

Neither man will tell you the name of the Alameda County guest who walked away with first prize by guessing 3945 feet on Diablo's towering greatness.

Anthon guessed 3974 feet while Newsom answered 3964 feet. Master of Ceremonies Mel Fritze almost tossed 'em both out when he ruled Diablo was 3152 feet high.

"Buck" rushed to the telephone and had Assistant Airport Manager Marvin E. Scott read the Airman's chart to Fritze. The official chart reads 3849 feet.

Maybe "Buck" and Anthon can get together for bacon and eggs. What we want to know is what was first prize.

Out of the Dog House

Revised Dog Ordinance Being Debated; Protests Mount; Next Hearing Sept. 17

By LYN McKEE

DOG ORDINANCE DAYS are here again.

Copies of the revised proposed ordinance for Contra Costa County have been mailed out to the same small list of kennel owners who were sent the original proposed ordinance a few months ago. These, in turn, have circulated the copies, and the debate is under way for the second time.

Consensus is that the word "revised" should read "reiterated"—the changes are disappointingly few. Major objections of dog and kennel owners centered around the fact that too much power is delegated to the poundmaster, giving him the right—in fact, the duty—to make decisions which more nearly require the knowledge of a veterinarian.

Many are taking the view that the poundmaster should be a veterinarian. Others would accept the ordinance if the poundmaster were made accountable to the Board of Supervisors, and if dog owners were given a clearly stated right to appeal to the board any decisions made by the poundmaster.

As a seemingly absurd but by no means impossible example of what might transpire under the ordinance, consider that the poundmaster might decide that every kennel must have 10-foot fencing in order to be passed by him as secure and to be issued a kennel license. How would a breeder of Pomeranians feel about that?

Over a dozen kennels in the county have banded together to engage the services of Attorney Francis Hoey to present their objections and to work toward adoption of satisfactory revisions.

Other dog groups, such as the Mt. Diablo Club, have written out their suggestions, also.

All of this opposition was aired at an open meeting before the Board of Supervisors last Monday afternoon.

Next session of the board at which the Dog Ordinance will be discussed is slated for 2:30 p.m. September 17.

It is clear that the proposed ordinance, as it stands, will meet with continued and increasing opposiiton.

THE OBEDIENCE TRAINING session held for the public at the Walnut Creek City Park August 5 reflected the growing interest in this phase of the dog world.

Over 25 dog owners turned out, with their dogs, correctly equipped, to watch an exhibition by a few members of the Mt. Diablo Club, and then to follow the training pointers given by the club instructors.

The second class will be held a 3 p.m. Sunday. August 26.

Following the training period, the members of the Mt. Diablo Club gathered at the home of Joe and Anne Clark in Walnut Creek for a potluck supper and a business meeting.

The evening was highlighted with the presentation of a large cake, decorated in white and silver, to Alva and Grace Wilkins, owners of the Poco Perro Kennels, who were celebrating their 25th wedding anniversary.

And the last item on the agenda turned out to be a surprise stork shower for your columnist. Quite an eventful day!

THERE'S GOOD NEWS from the Valgo Kennels in Lafayette. Owners Marjorie and Milo Hanson journeyed to the important San Mateo Show and came home bearing trophies.

Starlight of Valgo, one of their Bedlingtons, took Winner's Bitch and Best of Opposite Sex, earning 2 points, to add to a 3-point win at Long Beach in June. Starlight's sister, Twilight of Valgo, shown by Milo Hanson for owners Mr. and Mrs. C. Mueller, took Reserve Winner's Bitch.

And on Saturday, seven new Bedlington puppies put in their appearance at Valgo, one of which has the rare blue and tan coloring.

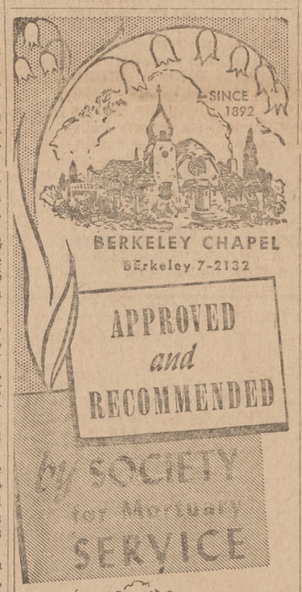
Marjorie says she hasn't had time to sit back and feel pleased about the good things that have been happening—summer is the boom season for trim jobs, and the customers keep a-coming.

THE BARCELONS have made it at last! On Tuesday they moved into their newly completed home in Lafayette Meadows — Ted and Ruth, with daughters Linda and Bobbie, and dog Lady.

After a year of anticipation and frustration, followed by final fruitation of plans, we welcome you!

J.C. DENTAL COURSE

Dr. R. L. Bullard, president of the Contra Costa County Dental Association, announces that a course for dental assistant certification will be offered by the Contra Costa Junior College District in cooperation with the Contra Costa County Dental Association and the Contra Costa Dental Assistant Association this coming school year.



Diablo Trail Ride Group Active With Labor Day Horse Show Festivities

Active preparations are underway for Concord's Labor Day program slated for September 1, 2 and 3, with committees heading up plans for a giant public parade which will share the program with the 11th annual Horse Show.

Reports were made at a meeting of committee heads last week at the George Cardinet ranch, according to President R. B. Burnett of the Concord-Mt. Diablo Trail Ride Association.

Reynolds Johnson of Concord, whose committee is busy on plans for the public parade, says the Oakland police motorcycle drill team is already entered. Entry of El Caballo Volante Jr. Horsemen's Association of Walnut Creek has also been received, along with many others.

Show Chairman George Cardinet, Jr., announced that Jerry Doyle and J. C. Pierce of Walnut Creek will head the concessions and Dick Humphries and Dan Lynch are in charge of the admission committee.

Bob Mattson of Concord, general chairman and Trail Ride chairman, has announced Trail Ride entries will close August 26.

The two-day, 90-mile event, limited to 65 riders, takes off early September 1, camps overnight at Barbecue Terrace on Mt. Diablo and will return for inspection and awards late the following day. In conjunction with the "big ride" there will be a Tenderfoot Ride which will follow a shorter and easier course.

Co-chairman of the three-day celebration is Prosper Oliversa of Concord .Fred Brotsch and Bob Foskett are on the Trails board.

Crippied Kids Enjoy Day Camp

Alvarado Park, Richmond, is the setting for this summer's Day Camp for handicapped children, which is conducted by the Crippled Children's Society of Contra Costa County.

Miss Reese, camp director, reports the camp well attended, with an interesting program worked out to fit the needs of these children who, for the second year, are enjoying the thrill of camp life.

Sally Taylor and Bob Kramer are assisting Miss Reese.

TAXES FOR SCHOOLS

Major support of the public schools in Contra Costa County during 1950-51 came 53 per cent from property taxes and 47 per cent from state-collected taxes, California Taxpayers' Association reports.

EBMUD Raises Tax Rate 4 Cents

New tax rate for the East Bay Municipal Utility District for the 1951-52 fiscal year will be 29 cents per $100 assessed valuation according to Louis J. Breuner, president of EBMUD directors.

The new rate is an increase of four cents over last year's 25-cent rate.

Blame for the tax increase is placed on need for $390,000 which was previously paid to the district by municipalities and fire districts for fire protcetion services.

"This is actually a transfer of charges previously assessed against property by the municipalities and fire districts," Breuner said. He pointed to the 1929 rate of 50 cents.

Poplar Branch's Party Sept. 15th

A full moon will add its decorative touch to the beautiful estate of the Paul Diggles on Crest Road in Walnut Creek the night of September 15 when Poplar Branch of the Children's Hospital of the East Bay has its Dude Ranch Party there.

Festivities will start at 7 p. m. when guests from all parts of the Bay Area will gather to enjoy a western-flavored evening, including a delicious barbecued dinner served from the chuck-wagon.

The entertainment will be reminiscent of dude danch life and will include singing, guitar-playing cowboys, as well as games of skill and moonlight dancing.

Invitations, cleverly made in the form of stockmen's hats, are available, and reservations may be made by calling Mrs. Robert Pedder, Orinda 2367.

Other members of committees working to make the party a success are Mrs. Valentine Brookes, branch chairman; Mrs. Duncan Knudsen, party chairman; Mrs. William Brailsford, food; Mrs. Vern Carver, invitations; Mrs. Locke Nelson, decorations.

Diamond K Sez . . .

Bill Magrath

Look out for ants! This is the time of year when all of those little "sweet ants" start appearing out of nowhere. You get up in the morning and there they are.

Diamond K has just about anything you could want in the way of Ant Controls. Residual sprays for foundations, drainboards and doorways; Grant's Ant Stakes for around the house and gardens, Honey-Trail Ant Cups for the home. What ever type would fit your need, we have them at Diamond K.

Once again we have located a few hundred railroad ties and are able to fill orders for them. These ties are standard size i.e. 6"x8"x8' long, redwood and are in very good shape. They are very useful in building retaining walls, garden stairways and make very good pathway and garden markers. Before using anything else, be sure to look over these railroad ties first.

Have you heard of Pittsburgh Paint's new Satin Finish rubberized wall paint? This product is absolutely the answer to the home decorator's prayers. The paint has a latex rubber base, one coat covers, dries hard in four to six hours and is completely void of any odor. Imagine, repainting a bedroom in the afternoon and sleeping in it that evening. It is a money saver as it requires no primer and one coat will cover practically all surfaces. The big selling point though, is that it is completely washable.

During the next two weeks, there will be no Diamond K Sez as it is vacation time at Diamond K.

Pandora Indian Summer Festival On September 22

A Water Ballet featuring Phebe Kramer, the Berkeley Women's City Club's nationally famous swimmer, and a square and folk dancing exhibition by star students of Mr. and Mrs. Robert Ross are part of the entertainment planned for the Indian Summer Festival to be given September 22 by the Pandora Chapter of the Children's Home Society.

The benefit, which will be a cocktail party and barbecue supper for 450 invited guests, will be held on the grounds of the Joseph Milton Long home in Sleepy Hollow that Saturday evening.

The party will center around the pool and barbecue area of the Long home. The folk dancing exhibit will be performed on one of the lower lawns, with guests watching the gaily dressed dancers from the terraces above.

Throughout the summer committee members have completed plans for the settings, menus, invitations and all of the supper details. Husbands of Pandora members are being commandeered for serving, barbecuing and parking attendants' jobs.

Heading committees are Mrs. James H. Anderson, Mrs. Kenneth St. Clair, Mrs. Andrew B. Blalock, Mrs. Roy Price, Mrs. Frank Hight and Mrs. John Barchfield, president of the Pandora Chapter.

Unsqueamish Joe Finds New Playmate

Mrs. Joseph J. Dirickx of 176 Crest View Drive, has come to the conclusion that her nine-month-old son Joseph is already becoming a typical boy.

With all the toys he has to play with, Joseph found a much more interesting playmate the other day.

He was playing in his play pen in the yard when his mother looked out the window to see if he was okay. She saw him stalking something across the play pen — well, by the time she got outside to investigate, Joseph had his quarry — a spider!

Fran threw up her hands and said, "Oh, well, this is just the beginning — next it will be snakes, lizards, and who knows what."

Three Birthdays Marked by Rotary

Three birthdays were celebrated by Rotary last week, with Al Eberlin, one honoree, assessed a fine for the special service rendered by Banking Representatives John Stoffel and Henry Carr, a duet presentation of the traditional birthday song.

Kenneth Courtright was similarly dunned for the "Dental Trio" version of "Happy Birthday," sung by Drs. W. E. Eller, L. L. Farrar and H. S. Wise.

James Lucas, third birthday celebrant, insisted he had the best bargain for his money, as all members joined in the song of congratulation.

Plans for the annual barbecue were made and committees appointed.

5000-Mile Trip Taken by Parkers

Mr. and Mrs. John Parker, 52 Camino del Diablo, returned August 5 from a 5,000-mile combined business and vacation trip to the east.

Since Mr. Parker has a business meeting to attend in Chicago, daughter Judy stayed with friends on a Montana ranch while her parents continued their journey.

During the month they were gone, the Parkers visited many of the eastern cities, besides Yellowstone National Park and many other beauty spots en route.

East Bay Town Hall Will Start Sept. 20

An Oakland and East Bay area branch of Town Hall, Forum of the West, will be added September 20 to the present seven chapters in San Francisco, San Jose, Stockton, Fresno, Santa Barbara, San Diego and Portland, it is announced by Dr. Albert Rappaport, founder and director.

The series will consist of 10 outstanding evening events, nine of which will be all-color films, presented at Westlake Junior High School auditorium by noted photographers, explorers, lecturers and adventurers.

Tenth feature will be a dramatic message by chairman Estes Kefauver of the Senate Crime Investigating Committee at Oakland Theater Auditorium.

Family Picnic at Diablo Park Sunday

A family picnic will be held Sunday by the League of Jewish Women at the Live Oak picnic area of Mt. Diablo State Park, starting at 11 a.m.

Members and friends are asked to come with their families and to bring their own food. Firewood and directions to the Live Oak picnic area can be obtained from the ranger at the south entrance to the state park.

A trip through the tunnel to do your shopping costs you at least $2.75 in additional expenses. Shop at home for service and savings.

LEGAL NOTICE

NOTICE OF CONSIDERATION OF APPLICATION FOR A LAND USE PERMIT BY THE CONTRA COSTA COUNTY PLANNING COMMISSION UNDER PROVISIONS OF ORDINANCE NO. 382

NOTICE IS HEREBY GIVEN that the Contra Costa County Planning Commission will give consideration to the application of C. E. Coburn for a use permit .

Said application is to modify provisions of Section 4 Subdivision F Subsection 3 of the provisions of Ordinance 382 as hereafter set forth, namely: a proposed subdivision of 9 lots to be known as Moraga Midlands Addition No. 1, one lot to be less than ½ acre in area and 3 with less than 100 ft. in width.

Property is located on the following maps which appear as Subsections 26 of Section 3 of Ordinance 382.

Brief description of property: parcel of land being a descriptive parcel. Said parcel fronts approx. 1250 feet on the west side of Hall Drive and approx. 90 feet on the north east side of Moraga Highway and bounded on the west by Moraga Midlands.

The time and place of said hearing will be in Room 210 Hall of Records, Martinez, California, August 28, 1951, 7:30 P.M.

G. F. McCORMICK, Secretary
Contra Costa County
Planning Commission

Here and There in Orinda

Gentrys Visit British Columbia

Owen and Eve Gentry and their sons, Mark and Stephen, of 61 Piedmont Avenue returned August 3 from a delightful vacation in British Columbia.

Leaving here July 19 and journeying northwest to Seattle, they stopped off in that city for several days to spend an especially enjoyable visit with Gentry's sister and brother-in-law, Mr. and Mrs. Frederick Bjorn, at their home.

Both families left Seattle July 26, driving north to Anacortes, Wash., from where they continued the trip, by boat, to Sidney and then on to Victoria, B.C.

After several interesting days of sight-seeing and shopping in Victoria, they drove on again, this time over the famous Malahat Drive to Nanaimo.

From Nanaimo — by boat again — the two families proceeded to Vancouver, B.C., for a night and a day there.

Then back to Seattle — and, finally, home again.

Blackmers, Smiths Attend UWF Meeting

Mr. and Mrs. Roy Blackmer of Orinda and Mr. and Mrs. Frank A. Smith of Lafayette attended the recent monthly business meeting of the Northern California Council of United World Federalists at San Jose.

They were accompanied by Ann Kidder of Berkeley, secretary of the Northern California section of UWF. The Blackmers and Smiths represented the Acalanes Chapter of UWF, of which Mr. Blackmer is president.

The gathering was held August 5 at the estate of Mr. and Mrs. Leonard Edwards. The all-day meeting was followed by a swimming party at the Edwards' pool.

Guest of Groves'

Mrs. Mildred Sutliff of Chula Vista, near San Diego, was a house guest all last week of Dr. and Mrs. Murray Groves.

Fashion Fiesta Sept. 29 Promises Leisurely, Comfortable Enjoyment

A leisurely drive through the cool and comfortable setting . . . entertainment of unusual appeal . . . an hour's view of all that is new in the Fall Fashion picture — these are the pleasures in store for guests of the Santa Maria Catholic Women's Club of Orinda at their "Fiesta of Fashions" to be presented on Saturday, September 29, at St. Mary's College, Moraga.

Following luncheon, to be served in the gaily-decorated wood-panelled main dining room of the college, there will be entertainment — authentic Latin-American music providing background for a performance of intricate and unusual dances by a colorful troupe of native artists directed by Senora Eva Villa, who has led her group into the tiny and remote villages of Spain and Mexico to discover dances originating there.

More than a score of Orinda women are engaged in planning the "Fiesta," first such event to be sponsored by the group. Mrs. F. D. Courneen heads the committee as general chairman, with Mrs. Charles Malone responsible for decorations, assisted by Mrs. Harold Libbey, Mrs. Thornton Grimes, Mrs. Joseph Sheaff and Mrs. Jack Jansse.

Attendance will be limited to 500 guests. Reservations are now obtainable from club members or by calling Mrs. Roy Niosi at Orinda 8105.

Jensent Enjoy Yachting Trip

A pack trip into the wilderness of the Trinity Alps for the Dr. Stephen Jensen family of Orinda was preceded by the Jensens' participating in the International Yachting Association's Regatta at Victoria, B. C., aboard the yacht Amorita as guests of Dr. and Mrs. Carl Jensen of Seattle.

Cruising among the San Juan Islands of Puget Sound was a memorable part of their vacation.

Stewarts Vacation

Mr. and Mrs. Edgar B. Stewart of 36 Los Altos Road spent a few days recently at Del Monte Lodge.

Mrs. Hafner Hostess

Last Friday Mrs. Richard P. Hafner entertained at luncheon and with an afternoon of canasta Mesdames Lance Barden, J. E. Almond, Murray Groves, G. Chester Brown, R. H. Usinger, J. G. Hupp, R. L. Baldwin, Ralph Phelps, R. L. Bigler and John Ogden, and her daughter, Mrs. Mary Frances Emery. It was a very enjoyable affair for these Orinda friends.

House-Warming

A group of Xi Lambda, Beta Sigma Phi, and their escorts, recently surprised Mr. and Mrs. Frank Wootten with a house-warming at their new home in Glorietta Court. Guests came from Napa and Merced for the occasion.

Mrs. Anderson Home

Mrs. Donald Anderson returned from the hospital last week after an appendectomy and other surgery. Her many friends in the Guild and in the Tanager Therapy group are relieved to learn Dorothy is convalescing nicely.

At Del Monte Lodge

Mr. and Mrs. Lawrence E. Collins of 261 La Espiral and Mr. and Mrs. William H. Foster of 1 West Way were among those Orindans who have spent a few vacationing days at Del Monte Lodge during the summer months.

Florence Krenz Weds Milton Mark In Stanford Rites

Florence Blair Krenz, daughter of Mr. and Mrs. Oscar Krenz of Lombardy Lane, and Milton Irving Mark, son of Mr. and Mrs. David Mark of San Francisco, were married in simple services Sunday morning at Stanford Chapel.

Following the 9:30 a.m. nuptials, the newlyweds and their immediate families had breakfast at 11 at the Palace Hotel in San Francisco.

From 4 to 6 o'clock that afternoon a reception was held at the home of the bride's parents, attended by 325 guests.

After the reception, the couple left on a month's plane trip to Mexico. Upon their return from their honeymoon they will make their home in San Francisco, where Mark is associated with the Alberton Realty Company.

A sister of Florence, Mrs. George Cahalan of Montclair, was the bride's only attendant, as matron of honor.

The groom is a graduate of Stanford University. The bride attended Stanford for two years, then studied at the University of California for two years before graduating, after which she took postgraduate work there.

Don Westerfield Goes to Far East

Donald Westerfield graduated from cook school at Fort Ord in July then had a 10 days' real vacation with his parents at Santa Monica before two weeks at Camp Stoneman prior to sailing on July 31 for duty in the Far East.

Mrs. Hyde Exhibits Fisher Paintings

The H. Melville Fisher collection of paintings is being exhibited by Mrs. W. Laurien Hyde in her home at 38 Linda Vista Road and may be seen by phoning her for an appointment, Orinda 2321.

H. Melville Fisher, a brilliant American artist, had a background of sound training from the greatest of the contemporary masters: James McNeil Whistler, Benjamin Constant, John Paul Lorence and William Bongereau. In the manner of the French Impressionist School he painted the true beauty of nature splashed with dancing sunlight in his many scenes of the French countryside, Paris and the French Riviera.

When he returned to America before the first World War he painted many equally fine pictures of the New England countryside and the sea, fishing smacks and sand dunes. Fisher paintings were exhibited in the Galery Durand-Ruel in Paris, in the famous Aimslie Gallery on Fifth Avenue, New York, and on the West Coast in the Barker Brother Gallery of Los Angeles.

Among Mrs. Hyde's paintings are also some fine ones by Hugo Fisher, artist father of H. Melville, and a few by his famous commercial artist brother, Harrison Fisher.

Lovelands Move to New York—First Remodel Home Here

Mr. and Mrs. M. W. Loveland of Camino del Diablo got word two months ago that Mr. Loveland was to be transferred to New York by the American Can Company, for whom he is an engineer.

They were in the midst of the fascinating job of remodeling their house, for the most part by themselves. The news of this transfer meant hurried work to complete their house plans in time to be in New York by August 1.

The Lovelands hated to leave Orinda, where they have been active in Community Church affairs and civic organizations, but the change meant a real promotion in responsibility and salary.

...to Mrs. Bradley, Other ...or G.I.'s 'Houseparty'

...arties far more significant and enjoyable ...al round of social gatherings took place in ...recent Sunday.

...ere the first "Operation Houseparty" for the ...amp Stoneman Hospital, held July 29 in Or...Orinda families the hosts for the day.

...nt was a complete success, according to all ...uccess" in this case is not measured by fin...nditures and receipts, but by the reactions of ...d their hosts.

...eactions, one and all, were enthusiastic. The ...joyed the touch of home life; the Orindans ...asure from being able to serve the G.I.'s, and ...em forget loneliness and homesickness.

...doctors at the Camp Stoneman Hospital ob...t one day in Orinda was "worth more for the ...a month's treatment."

...fore the SUN says:

...ff to Mrs. Theodore Bradley, who headed the ...nts in Orinda for the Mt. Diablo Chapter of ...oss; to Mrs. Bradley's committee, consisting of ...Kirk Miles, Ida Zamloch, William Penn Mott, ...eorge Matey, and to all those Orindans who ...ke the day one which the G.I.'s will long re-

...nez Merry-Go-Round

...wner on Freeway Path on Relief; ...rty Owners on Government Aid

...US SIDE-QUIRK in connection with plans for the state free... to light Monday when County Social Welfare Director W. G. ...formed the Board of Supervisors that an elderly owner of valua...rty in Central Contra Costa County is on relief because he can...ne property and because the state has not taken action to acquire ...way.

...his resident, Golden told the board, is receiving $75 a month in ... security, although his property has an estimated value of $25,000 ...re.

Because the state has announced plans to build a freeway through ...part of the county, buyers are not interested in the property, which ...t otherwise realize $25,000 or $30,000 on the basis of nearby property ...es, according to Golden.

...GALLY ENTITLED TO RELIEF

Golden explained that the man is legally entitled to relief payments ...cause he has no income and his property is assessed at only $2,650.

The supervisors instructed Golden and County Planning Technician Tom Heaton to draft a letter to the state highway authorities, explaining the situation and urging immediate purchase of the property by the state.

Golden later stated that he could not reveal the identity of the person because of federal-imposed requirements in the Welfare and Institutions Code.

He added that if the state would purchase the property for a right-of-way, the man and his wife would probably have enough money to live on for the rest of their lives.

Although the identity of the relief recipient was not revealed, the SUN learned that he is a property owner in Lafayette, whose land is on the north side of Mt. Diablo Boulevard and west of the Acalanes Junction property of Anthony Lagiss.

COUNTY ADMINISTRATOR POST OKAYED

An ordiance establishing the position of county administrator, at an annual salary of $12,000, was adopted by the Board of Supervisors Monday. The ordinance becomes effective 30 days after passage.

The supervisors have announced that, immediately following the effective date of the ordinance, they will appoint County Auditor D. M. Teeter as county administrator. The boaod has also announced that Assistant County Auditor Howard McNamer will become county auditor.

The job of administrator, recommended by the 1950-51 Grand Jury and the Contra Costa County Taxpayers Association, will be that of liason officer between the Board of Supervisors and the various county departments.

The new position will not come under civil service.

COUNTY ASSESSMENT ROLL — $334,627,600

Assessment roll of Contra Costa County for 1951-52 will total $334,627,600 — an increase of $31,570,695 over last year, according to County Auditor-Controller D. M. Teeter.

Teefer said his office had computed the public utility roll in the county at $63,597,550 (compared to $51,000,000 last year), even though the official figure on public utility assessments had not yet been received from the State Board of Equalization.

The $63,597,550 figure is $20,000,000 more than would have resulted from the 34 per cent basis on which the state board expected to assess under a new law. The new law's effectiveness, however, is now delayed two years, and public utility properties are again being assessed at 50 per cent of their value.

BUDGET HEARINGS START MONDAY

Public hearings on the tentative $18,803,518 county budget will get under way before the Board of Supervisors in Martinez at 10 a. m. Monday.

The board has tentatively set a basic tax rate of $2.46 per $100 assessed valuation — a 2-cent cut from last year.

BUCHANAN FIELD ALLOCATIONS

Included in the proposed budget are $125,000 for an administration building at Buchanan Field and $42,000, reapportioned from last year, for hangars there.

Board Chairman Jack Cummings explained that the federal government would pay 54 per cent of the cost for the administration building at the county airport.

As for the hangars, for which the county did not succeed in obtaining bids last year, Cummings said:

"We're going to have some one do it, or do it ourselves, this year."

EXAMS FOR FISHERY AIDS

The United States Civil Service Commission has announced that it is accepting applications for indefinite appointments to positions as fishery aids in the various federal agencies in Arizona, California and Nevada. Salaries range from $2450 to $3100 a year.

That West Point 'Cheating Scandal' — Where Does Responsibility Really Lie?

By ERWIN MATTSON

One of the things which has struck the sports world is the so-called cheating scandal at West Point.

On the basis of reports, it seems as if some students in one class passed the word on to another class, taking the same subject, as to what the examination was about.

I could be wrong, but it seems to me as if a mountain has been made out of a molehill.

IF YOU HAD A roommate taking an exam at 10 a. m. in math and you saw him before you took an exam at 2 p. m., the chances are you would ask what it was about and the chances are he would tell you.

Under such conditions the examinations should heve been different or the examination should have been given to all at the same time.

One thing for certain is that it is most unfortunate that the situation was handled the way it was.

LOTS OF POOR publicity and as usual, a lot of politicians jumping at the opportunity for some personal publicity by demanding everything from an F. B. I. investigation to doing away with the Army's West Point and the Navy's Academy at Annapolis.

Rest assured that Annapolis and West Point have the cream of the crop in training. What happened was a result of the way examinations were administered.

As one individual put it, the one thing that it proved was that the cadets were human.

Congress had best investigate some of its members and officials who have really cheated. I recall a couple of high officials who were merely transferred for things far worse than the cadets did.

CHEATING IS NOT to be condoned under any circumstances, but it certainly seems that it was a little too much to give two groups the same examination, with time between ,and not txpect trouble to arise.

I wonder how many of the congressmen who are yelling so loud could pass the entrance examination at West Point, let alone graduate.

Might be a good idea to have an examination requirement for Congress, at that?

Prof. Davis To Address Jewish Women Wed.

University of California Professor Louis E. Davis will be the featured speaker at the regular monthly meeting of the League of Jewish Women to be held at 2 p. m. next Wednesday at the Women's Club, Walnut Creek.

Professor Davis, who is also a A social luncheon in the clubroom will precede the meeting. Mrs. Percy Cohn, 925 Hawthorn Drive, Lafayette, (Lafayette 2404) is accepting reservations for lunch.

W. C. Merchants Local Hope in Tourney

Tiny's Hut Bows To Dow Chemical By 8 to 1 Score

Walnut Creek's hopes for representing Contra Costa County in softball's State Tournament play surprisingly landed on the shoulders of the Walnut Creek Merchants this week.

The Merchants reached semi-final play in the County Tournament played this week under the lights of the Walnut Creek City Park and were scheduled to tangle with the Yacht Club on Thursday night.

Tiny's Hut met sudden death Wednesday night when they bowed to the Dow Chemical nine of Pittsburg 8 to 1. More about that later.

County tournament play got under way last Monday night and has attracted overflow crowds each evening. Softball fans wheeled into Walnut Creek from all parts of the county to witness top-notch ball under starry skies and balmy weather.

THE WALNUT CREEK Maids won the applause of the crowd Monday night when they took a 12 to 9 exhibition contest from the Vallejo Merchanettes prior to the tourney's initial contest.

Actual tournament play got under way at 9:15 when the Dow Chemical club of Pittsburg practically ran Kirk's Drive-In of Martinez out of the park with a resounding 25 to 4 thumping. Fans thought the game would never end but stayed through for every thril.

Tuesday, August 14, found the Walnut Creek Merchants outhitting and outplaying Fibreboard of Antioch as they hung up an 8 to 1 win and established themselves as one of the tournament favorites.

KNIGHTSEN proved to be a classy nine and one to be reckoned with when they eased the Snack Shack of Concord out of the way, 5-1, in the second game.

Wednesday, August 15, proved to be an unlucky night for Tiny's Hut as Dow Chemical notched their second win of Tournament play as Lynn Fontana of Dow's set Tiny's down 8-1 and allowed but two hits in the process.

The number two game of the evening really provided the fireworks with the game between Cataline Homes of Pittsburg, and last year's defending champions, the Yacht Club of Martinez, starting off with a protest on the part of the Yacht Club. Cataline Homes had failed to send in their roster and entry fee as provided in the rules and regulations, Commissioner Les Lloyd finally got the game under way when he ruled that if the roster and forfeit money was received postmarked prior to the game, it was all O. K., if not, it would be a forfeit.

AS THINGS turned out, the Yacht Club put on a Horatio Alger finish to win in an extra inning, 6-5.

Cataline Builders started off with a flurry as they hit and ran themselves to four runs in the first frame and added another in the fifth only to have the Martinez nine come back to collect four themselves to make it 5-4 at the end of the fifth and to add another in the sixth to make it 5 all.

LEN SULLIVAN of the Yacht Club seemed to get better in the pitching department as the game went on and when the game went into the eighth he set the opposition down in apple pie order. and that proved to be the ball game as a Martinez runner scored from third when the third baseman's throw to first was high and wide on an attempted putout.

Several arguments over close plays, a dog on the field, cars with lights on and a question of courtesy runners for the pitchers, all enlivened the evening's play and it all ended in Brooklyn style when Cataline Homes protested the eligibility of a Martinez player.

Thursday and Friday's night games remained to be played when the paper went to press, but on the basis of showings to date, the eventual champs will be a first class nine giving Contra Costa a good representative in further play toward the State Title.

Prior to this week's tournament play Walnut Creek Softball League play brought the following action:

THURSDAY, August 9, found Tiny's Hut in the driver's seat, as they pounded out a 9-1 win over Sun Valley. The win kept Tiny's in a tie for second half honors with the Walnut Creek Merchants.

In the second game the W. C. Maids hit the ball to all corners of the lot as they ran and walked their way to a 21-4 win over a hepless Redwood City nine.

On Friday, August 10, the National Guard proved to be consistent when they failed to field a nine once again. Della Pipa was on hand to furnish the opposition, and when the Walnut Creek Merchants had the same trouble when their opposition for an exhibition failed to show, the two nines got together and played ar exhibition tilt of their own, with the Merchants emerging the winners, 10-3.

SPORTS

Judson Steel 'Men' Humble Lafayette Legion 12 to 3

The Lafayette Legion had their hands full last Sunday afternoon when they were toppled by the Judson Steel nine of Emeryville at the Emeryville High diamond, 12-3.

John Olcott started for the locals and it was 1 all going into the fourth when the steel lads racked up four runs on three hits combined with a batter hit by the pitcher and an error along with a walk.

Judson Steel added two more in the fifth on two walks and one error while the Lafayette nine added two more to their total in the fifth as the result of four walks and a single by Leo Perry.

That ended Lafayette's scoring while Judson went on for four more runs in the sixth and another in the seventh to make the final count 12-3 in their favor.

"Red" Jones took over the hurling duties in the sixth and after a wobbly start, did some effective throwing the rest of the way.

Legion Nine Loses Toughie, 2 to 1

The Walnut Creek Legion played some top notch ball last Saturday only to drop a heartbreaker to San Leandro 2-1 in a game played at St. Cyrus Field in Oakland.

Big Bob Borghesani was on the mound for the locals and threw a three-hitter, one of them a blooper with two away and another an infield hit on a squeeze play which proved fatal, as it scored the winning run with the score tied at 1 all at that point.

While Bob was limiting the opposition to three hits, his teammates could do but little better, gathering but four safeties over the seven-inning route.

Tod Sorensen, Bob Borghesani, Kay Dana and Alan Ruff accounted for the hits, each accounting for a single.

Borghesani whiffed nine over the seven innings while eight of the W. C. Legion went down on the third strike.

The Walnut Creek score came in the fourth frame when Kay Dana singled and romped home when Borghesani followed up with a safe blow to left center.

San Leandro tallied in the 3rd when Walt Vesman walked and went to second when Bill Tawes went to first on another walk, coming home seconds later when Carl Thurman singled.

The final score came in the last of the 7th when, with two away, and a man on third, the batter, Ed Piazza bunted and beat it out by inches while Carl Thurman romped home from third with the winning run.

This coming Sunday the W. C. Legion tackles an Oakland nine in another 12 o'clock game at St. Cyrus Field, and returns to Lafayette for a 3:30 tilt against a Berkeley nine at Acalanes Field.

Tourney Play Ends Tonight, League Resumes Monday

Softball fans have their night tonight when the final game of the County Tournament gets under way with the winner being crowned "Champ," after a week of elimination play.

Next Monday, August 20, the W.C. League resumes play with V.F.W. tackling Sun Valley at 7:30 and Della Pipa tangling with the rough and ready W.C. Merchants.

On Tuesday, August 21, Tiny's meets the Guard while V.F.W. shows in an exhibition.

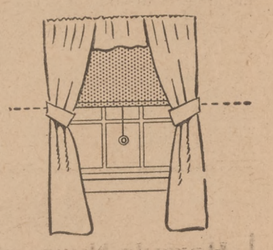
The Guard will set a record if they show twice in a row as they are scheduled to meet up with Sun Valley in the 7:30 game on Wednesday, August 22, while Della Pipa and the Legion test one another in the night cap.

ARTS-CRAFTS CATALOGUE

To celebrate its 45th year of instruction, which will begin September 12, the California College of Arts and Crafts has published a special catalogue.

HELPFUL HINTS

FROM MILTIE



Never mind getting out the tape measure or yard stick to get your curtain tie-backs even. Simply pull the shade to the desired point and use the bottom of the shade as your guide line. Simple, eh what?

The favorite dust cloth in all too many homes is a piece of worn out knitted underwear. Truthfully that kind of cloth just flicks the dust into the air to settle somewhere else. There are many inexpensive, treated dust cloths on the market. The kind that pick up the dust and give a little polish at the same time.

KEEP ENGINE TUNED

There is a world of difference in the performance of an engine tuned to concert pitch and one that is just slightly out with respect to adjustment of a number of features. Cost of tuning-up the engine is usually less than the price of 10 gallons of gasoline.

Your Garden

Food-Budget Memo: It's Not Too Early To Start Work on Next Year's Garden

By BERT WRIGHT

NO, IT IS NOT too early to start preparation of next year's garden.

With the continuing high cost of living and precariousness of our world situation, gardens will again be good personal, as well as national, investments.

In order to get the greatest returns from the vegetable garden, it is a No. 1 requisite that the soil be in good physical condition, and right now is the time to do something about it.

IMPROVING PHYSICAL condition, that is, improving the aeration and drainage and ease of cultivation, means increasing the organic matter content.

The easiest way to do this is to grow your own organic matter. Small grains such as wheat, oats and rye, or an annual grass such as Italian rye grass can be broadcast now between the rows.

THESE GREEN MANURE crops, or cover crops, should be fed at time of seeding with application of plant food at the rate of two pounds per 100 square feet in order to insure good fall growth.

The plant food will remain in your garden, being taken up by the plants and stored there until they are plowed down in the spring.

Thus cover crops have a threefold purpose — increasing organic matter content with accompanying benefits to the soil's physical condition, storage of plant foods over the winter and protection of the soil surface from the beating and compacting action of spring rains.

SO START NOW on your next year's garden.

Simply broadcast plant food, sow the grain at the rate of one or two pounds per 1,000 square feet, then sit back and enjoy the mantle of green that covers the skeleton of your 1951 garden.

START PERENNIALS from seed now.

Shasta daisy, columbine, delphinium, coreopsis and painted daisies all will produce blooms next year if started now.

KEEP AFTER the green cabbage caterpillars with your dusting gun.

Constant dusting is necessary, since there is no control of the white butterflies that lay the eggs.

IRIS SHOULD BE transplanted this month after cutting back the foliage to a height of five inches.

Work in complete plant food rather than the old standby, bone meal. Results are far superior.

IF YOUR ORIENTAL poppies look brown and sere, don't worry — they are merely dormant and in fine condition for transplanting.

'Our Goal' Topic Of Pastor Berven

"Our Goal — To Love as Jesus Lives" will be the sermon topic of Pastor Luther Berven Sunday at Our Savior's Lutheran Church in Lafayette.

Services will be held at 8 and 10:45 a. m..

The Brotherhood will meet next Tuesday evening. The Senior Choir will resume its practices on Thursday evening, September 6. Rally Day for the Sunday School has been set for Sunday, September 9.

Regarding his sermon this Sunday, Pastor Berven explained:

"The word 'love' is one of the most abused words in the English language. What does it really mean to love as God loves? To love as God loves means to love as Jesus loves, for Jesus is the revelation of God to man, and to love as Jesus loves means to love even one's enemies. On the Cross, Jesus prayed, 'Father, forgive them.'

"If the Christian loves only those who love him, he is no different from the heathen; the true Christian loves all men, even those who may hate him."

Drive carefully—the life you save may be your own.

Lorraine Guerra Tells of Troth To Joe Clerici

A number of Orinda and Lafayette friends were present at a luncheon party at Hotel Claremont Saturday at which the engagement of Lorraine Frances Guerra to Joseph Clerici, son of Mr. and Mrs. Carlo Clerici of Napa, was announced. The wedding will take place November 11.

The honoree, daughter of Mr. and Mrs. Rene Guerra, who recently moved to Oakland from Lafayette, is a graduate of Acalanes High School and of Armstrong College. A member of Beta Sigma Delta Sorority there, Miss Guerra belonged to the honorary dramatic group, Alpha Psi Omega.

The bridegroom-elect, a Navy veteran, graduated from Vallejo High School.

Guests at the announcement party included Mesdames Buford Feagans, Ron Meyer, Ray Engalls, Orville Jarman, Gordon Cole and Theodore Buzzarola and Misses Charlotte Maloyan, Barbara Goeppert, Vivienne Schmidt, Marian Bayliss, Arden Sage, Joyce Sutherland, Floy Branton and Cecilia May Wilson.

Keith Fitch Starts At Leadership School

Private Keith Fitch, son of Mr. and Mrs. Karl E. Fitch of 219 La Espiral, started the eight-week course in Leadership School at Fort Ord yesterday. At its conclusion, he plans to go to Officers Candidate School.

Private Fitch made a plane trip east to New Jersey August 2, returning by air August 8 after visiting there with old friends.

About Our Happy Country Folk

By EDITH BOLMAN

MORE PEOPLE MOVING to Orinda . . .

John McCarty of San Francisco and Chattanooga and a city in New Hampshire (can't remember the name) has moved into the Edwin Pike home on Camino Lenada. He is busily potting begonias, planting azaleas and giving barbecues for his friends.

The Donovan DeWitts and children Sally, Jack ,and Betty moved to Orinda from San Carlos.

The Robert T. Milligans are here from Oakland, having bought the Henry Moller home on El Toyonal.

Their neighbors, the Charles Wilsons, have bought and are moving into the Drexel Gibbons home, and their home is about to be occupied by the R. D. McBanes.

By now we are so confused that we are going to shift to the recent Milligan vacation, which is even more confusing. They went on a camping trip to Sequoia and took their six-month-old son Tommy on hikes! During the interview we finally regained our composure and asked how?

"Oh, merely by taking turns lugging him like a pack," and that, gentle reader, is what we call some pack trip.

The Kenneth Detlings, son Jimmy, and dachshund Muffin have moved from Berkeley into their new home on Sally Ann Road. Also in the same area in new homes are Dr. and Mrs. John Bartlett and children Phil and Marylin from Berkeley, and Mr. and Mrs. Spencer Archer and two children Carolyn and Tommy from Oakland.

MR. AND MRS. CLAY SORRICK visited Los Lorelos Lodge in Carmel for a few days of golf recently.

Mrs. U. B. Smith of Via Hermosa has had enough driving to hold her for awhile.

Last June she and sons Bruce, Martin and Dwight drove to Galt, Canada, for a visit with Mrs. Smith's mother. That took care of 3,000 miles.

Then the foursome was joined by Mr. Smith and off they went to Michigan, (not missing Niagara Falls, either), Wisconsin, Minnesota, North and South Dakota. They visited the Badlands, National Monument, the Black Hills and the Mt. Rushmore Memorial.

Then Montana, where they suffered two snow storms in July in Billings. Then home they came and gazed upon the speedometer, to find they had rolled off 10,000 miles.

MRS. FRANK DUNN and daughter Judy are home again after several days at Tahoe.

The all-time speed record we have heard of is the Wallace Marshes' swimming pool. Our informer tells us that it was completed within three weeks, and we guess that must be right because we have tried to call them on the phone and got no answer, so we suppose they are in it.

The Edgar Stewart family has been cavorting around the countryside, too. After Mr. Stewart and son Jimmy returned from a 15-day pack trip in the King's River Canyon country (and managed to get some good colored slides), Mr. and Mrs. Stewart left for a several-day visit with friends in Sisco then on to Del Monte Lodge.

OUR INFORMER went to the Orinda Country Club party last Sunday night and sent us these notes:

"A very gay evening of dinner and dancing at Orinda Country Club winding up the two-ball foursome — the Murdocks walking off with the honors, with the Perry Thomases taking second place.

"Women's Captain Bea Elder awarding prizes in place of Tournament Chairman Sunny Rank — the Ranks having a wonderful time in Vancouver.

"Pat, Vad and Peter Jelton being welcomed back from their Kontiki experiences. Mrs. Jelton happy about their Luau party for the Children's Hospital being a sell-out.

"The Aubrey Sweets and the John Bannisters made their reservations for a trip to Honolulu.

"The Bill Fosters are entertaining Mrs. Foster's sister and family, the Walter Woods, former Orindans now living in the Southland. A thrill for the Woods when their son arrived unexpectedly, looking snappy in his Air Force uniform.

"The young fry had a great time getting together.

"Mrs. James North cutting capers on the dance floor with her young son."

Aren't we sorry we missed that party!

Cattle Cavort In Classified

How they felt about it couldn't be determined, but there they were — the calves, the bulls, the heifer — between a lost platinum wrist watch and a found Siamese cat.

According to H. F. Pinkley of 5 Don Gabriel Way, Orinda, they were running "all over" the immediate area in Moraga del Rey. One man became so irate he threatened to shoot them. So Pinkley, hoping the owner would claim the animals, placed the following classified ad in the "Lost and Found" section in last week's issue of this paper:

"Found: 3 short yearling calves, 1 Guernsey bull, 1 Holstein bull, bobbed-tailed, 1 white-faced heifer."

How to make good telephone service even better....

Long Distance service is faster when you call by number

You'll find your Long Distance Operator can put your call through much quicker if you give her the out-of-town number you want . . . rather than just the name and address. That way, you see, you won't have to wait for her to get the number from "Information" in the town you're calling. So why not start a Long Distance list . . . by jotting down the number when the operator reports it to you.

look 'em up–jot 'em down–then call

You know, it's awfully easy to get telephone numbers "turned around" in your head. So to get the right number, it's a good idea to look it up in the telephone book . . . jot it down on a slip of paper . . . then make your call.

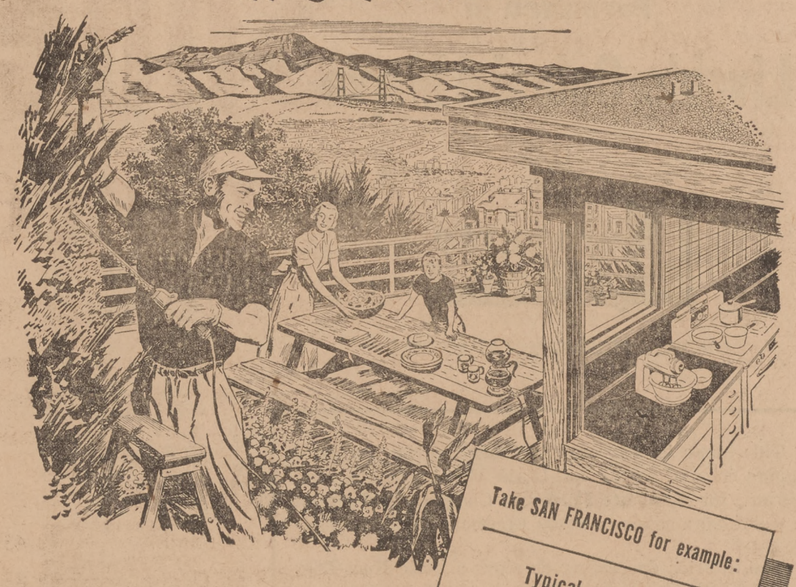
Gas and electricity are cheap in California!



P. G. and E. home rates are far below U.S. average!

The cost of living has gone up 88% since 1940, but P. G. and E. domestic rates are actually lower than 11 years ago! Nothing else you buy costs so little—does so much. Let P. G. and E.'s bargain gas and electricity do more of your work, bring you more of life's comforts.

Take SAN FRANCISCO for example:
Typical residential gas and electric bill
In San Francisco . . $7.53
In all U.S. cities of similar size* . . $13.23
*Average for all U.S. cities outside California over 500,000 population. Based on a typical use of 100 KWH and 100 therms of gas per month.

Local Exhibitors Take County Fair Awards

The four-day run of Contra Costa County's 11th annual County Fair drew to a successful conclusion Sunday, breaking all previous records with its attendance of an estimatad 40,000 persons.

Competition for awards in the various divisions was keen, with an unusually large display of all types of entries to tax the sharp eyes of the judges.

In the canned fruits and vegetables division, hundreds of jars of processed foods from the kitchens of local women were on tempting display. Winners of numerous prizes for their handiwork were: Anna L. Martin of Walnut Creek who captured first, second or third prizes for much of her canning, and in some instances, all three prizes; Maren Groves of Clayton, Mrs. Alfred Cottrell of Concord; Mrs. Elyce Moore of Walnut Creek and Ruth N. Stemler of Concord.

CLOTHING AND TEXTILE Division winners: Anna L. Martin, Josephine Deschamps, Mrs. Neil Sterud, Betty Brinson, all of Walnut Creek; Lillie Lewis and Joyce E. Ferrante of Concord.

Winners in the Junior Swine Division, Future Farmtrs of America, included: Hugh McBride of Walnut Creek who won firsts for Duroc Jersey Boars-junior yearling, junior pig and junior pig sow and a second for aged sow; Bruce McBride who won 1st for aged sow and 2nd for junior pig sow; and Carl Teifel of Concord who brought home 1st and 2nd places for his junior swine, single fat.

Sheep (4-H) — Kenneth Birdsell, Ronald Hansen, Soren Knudsen and Gene Tromp of Danville and Bruce McBride of Walnut Creek.

Farm Women's Organizations—Feature Exhibit Booth: 1st, Contra Costa Farm Bureau, Home Department, and second, Danville Women's Home Department.

MT. DIABLO MEN'S Garden Club won two firsts in the floriculture division, one for their 150 foot square display in the amateur division and the other for their Early California garden.

In the commercial division, Sunset Nursery, Danville, placed first for their modern garden; McDonnel Nursery of Walnut Creek and Orchard Nursery, Lafayette, placed first and second, respectively, for their garden plots. Sunset Nursery, a first for its landscape garden and McDonnell Nursery a second for the "Garden of Tomorrow."

Lafayette's Orchard Nursery took first for its modern, suburban garden.

Winners in the floral arrangement division included Mrs. Stanley Burton, Concord, and Anna L. Martin of Walnut Creek.

A. E. PROSSER of Concord was awarded a first for tropical foliage and a first for a foliage plant. Johnny Mathews of Clayton won a second for an unusual floral arrangement.

Included in the winners with commercial floriculture displays were Laila's Florist, Concord, and Jory's Flowers, Walnut Creek, both of whom carried home various first and second place honors.

In the Agricultural and Horticultural Divisicn, Pleasant Hill Grange won a 4th for its feature exhibit booth. Individual winners in various classes were Charles R. James, Concord; Anna L. Martin, Walnut Creek; Mrs. Henrietta Riveria, Walnut Creek, and Frank Rose, Walnut Creek.

Winners in the Junior Beef Division, Future Farmers of America Class included Tom Hall, Lafayette; Jackie Marchio, Clayton, and Gerry Reynolds, Walnut Creek.

POULTRY DIVISION, 4-H Class: Award winners included Bruce McBride, Hugh McBride and Donald Hoag of Walnut Creek and Kathryn Plumb of Concord.

With all competition in the horse show conducted as team events, George H. Cardinet, fair director, announced the following among Thursday winners: Contra Costa Horsemen's Association which won a first in ring spearing; third in the square relay races of 25 yards; first in the relay race (represented by Tomlin, Poggi, Deaton, Gomez and Lee); first in the quadrangle stake race, Bill Gomez, 22.5; first, Deaton and Gomez in pole bending.

East Contra Costa Horsemen's Association; ring spearing, 3rd; square relay race (25 yards), 2nd; relay race, 2nd; quadrangle stake race, 4th, and pole bending, 3rd.

IN FRIDAY'S EVENTS, East Contra Costa Horsemen's Association placed as follows: ring spearing, 1st; quadrange stake race, 2nd; pole bending, 3rd; relay race, 3rd, and square race, 2nd.

Contra Costa Horsemen's Association took the following places in these same events: ring spearing, 2nd; quadrangle race, 3rd; pole bending, 1st; relay race, 1st; square relay race, 3rd.

Mrs. Gerald Gray of Walnut Creek won first place with her stallion, in the four years and over group, in the light horse class of the quarter horse division.

Walter M. Perry of Concord was awarded first and second for his mare in the four years and older class, and the first for mares two years and over.

Teeter Explains Atty. General's Utility Ruling

State Attorney General Edmund G. Brown's ruling on Senate Bill 919, postponing for two years any basic change in methods of setting valuations on public utilities properties by the State Board of Equalization, upholds validity of the measure signed into law July 16 by Governor Warren.

This was explained this week by County Auditor D. M. Teeter, who said effectiveness of the 1949 law providing for new procedures is now postponed until 1953.

The 1949 legislation would have meant valuation of public utilities properties at a rate for each county. County Assessor Justin Randall has estimated this would have meant possible loss of some $8,000,000 to the Contra Costa tax base.

VA POSITIONS

Several positions for tabulating machine operators are open at the Veterans Administration Regional Office, 49 Fourth Street, San Francisco, it is announced.

Truck Reservists Train at Stoneman

Reservists of te 343rd Transportation Truck Battalion, Organized Reserve Corps unit which meets weekly at Camp Stoneman, are currently taking two weeks full-time training at the camp.

Under command of Lieutenant Colonel Ben Hughes of Walnut Creek, the unit is made up of men living in Pittsburg, Antioch, Concord, Martinez, Orinda, Oakley and Oakland. Forty-two men are participating. Will R. Nicklemann of Orinda is one of them.

Among truck companies units attached to the 343rd is the 884th Transportation Truck Company, recently activated reserve organization which also meets at Camp Stoneman. The 884th is commanded by First Lieutenant Frank Mendoza of Concord.

Both the 343rd Truck Battalion and the 884th Truck Company are sponsored by and affiliated with the Contra Costa Truck Owners Association. Most of the reservists are employed in the trucking or automotive industry.

Lieutenant Colonel Hughes pointed out that vacancies exist in both the 343rd and the 884th for reservists.

Taylor and Gregg To Superior Court

Assistant District Attorney Wakefield Taylor and Richmond Attorney Norman Gregg have been named to the Contra Costa County Superior Court bench by Governor Earl Warren.

Their appointments will be effective September 22, one day following the effective date of a law increasing the Superior Court here to five judgeships.

Mills College Group Plans for Festival

Next meeting of the Mt. Diablo Branch of Mills College Alumnae will be held September 11 at the home of Mrs. C. T. Gartin, 1471 Sunnybrook Drive.

Plans for the Walnut Festival will be discussed at the 8 p.m. meeting as well as plans for the Mills College Centennial Ball to be held September 29 in San Francisco, according to Mrs. J. B. Herod, president.

Last get together of the group was a swimming party after which a picnic supper was served at the Carroll Ranch in Lafayette. The Mt. Diablo Branch entertained the Orinda Alumnae to give husbands an opportunity to become better acquainted with other members of the organization.

MOTOR VEHICLE PRODUCTION

United States factories turned out a total of 3,889,851 motor vehicles during the first six months of 1951. Of this total, 4,410 were motor coaches, 786,585 were motor trucks and 3,098,856 were passenger cars.

Women May Enlist For Two Years

Physically qualified women between the ages of 18 and 35 may now enlist in the Women's Army Corps for a two-year period, according to Tech. Sgt. Wendell Schwartz in charge of Army Recruiting in Walnut Creek.

The new two-year enlistment plan is an opportunity only recently opened. Three years was formerly the minimum time of service. Those interested may contact Sergeant Schwartz at Room 104, 1327 Main Street, for further information.

Livable, Colonial Maple

by

Lafayette furniture
DRIVE OUT AND SAVE

ON THE HIGHWAY, LAFAYETTE

This home is attractively furnished in the New England colonial theme by Doris M. Pendleton, head decorator for Lafayette Furniture Company and one of the west's authorities on early American furnishings.

The interior decorating employs a basic New England color scheme — red and blue in the living room. It is very, very simple. A lot of people think that frilly things are necessary, but they are not for a New England effect. The only ruffles in the living room are around the furniture and on 2 lamp shades. It is a strictly functional, but warm room, as is the whole house . . . with its provincial wood furniture, unbleached muslin drapes, braided cotton rugs. We think you'll like the grandpa chair, wooden settle bench, Gov. Winthrop desk, the bedroom sets of pine and cherry woods and late period dinette set.

Display home built by Goforth and McGah, contractors, at Sherman Acres.

How To Get There

Contra Costa Highway north past the Monument, take the first road on right past the drive-In theatre.

Lafayette Furniture has the finest stock of maple in the bay area.

CHOICE LOTS

Only 2 left on Freeman Road in Sun Valley Estates. Can be bought separately for $2,800 and $3,200 or only $5,000 for both. Sewer in and paid. Helen Pittman, evenings Piedmont 5-0518J.

Air Acrobatics For Buchanan Field's Fifth Anniversary

Air acrobatics will highlight the all-day Air Show being planned in celebration of Buchanan Field's fifth anniversary on Sunday, August 26, according to Chairman Fred Anthon.

Invitations have gone out to the Army, Air Force, Navy, Coast Guard, National Guard and Marine Corps to join in the celebration in one form or another, Anthon announced at a meeting of the 14-man fete committee at the Buchanan Field office last night.

Already "signed up" to perform at the birthday celebration are such airmen as Lindy Kent of Antioch, who will make a delayed parachute jump; Tom Davis, acrobatic and crop dusting flyer; Mary Pacard of Vallejo, exceptional woman pilot in acrobatic and paper cutting stunts; Frank Ponke of Chico, doing acrobatics in his Stearman biplane.

Two outstanding air films, "The Air Age," and "Telephone Creek" will be shown throughout the day by E. O. Musser of Canyon through the courtesy of Chet Moulton, Idaho's division of aeronautics chief.

Buchanan Field is just north of Walnut Creek near Pacheco.

The celebration committee chairmaned by Anthon includes Thomas J. Davis, Ada Aaron, Jack Davi, Bob Miller, Ruby Anthon, Betty Boggess, E. O. Musser, Arnold Bjork, V. A. Fink, Milton Shoong, Warren Boggess, Manager Noble "Buck" Newsom Jr. of Buchanan Field and Assistant Manager Marvin E. Scott.

Drive carefully—the life you save may be your own.

Men's Garden Club Wins Blue Ribbon at Fair

Mount Diablo Men's Garden Club won a blue ribbon, first award in the Floriculture Division at the recent County Fair at Antioch, with its exhibit, "An Early California Garden."

A large oil painting of Mount Diablo formed a colorful background for the setting of a typical country home earlier in this century. An outdoor pump which produced real water came in for well deserved attention, together with a tin wash basin, lantern, mirror and ancient clock hanging on the wall.

The simple requirements of outdoor living of that era were portrayed by an old stuffed chair, flanked by a planting of aspidestros and dracena palms, with a border of brightly colored geranium, petunias and yellow marguerites.

Joe Linsler of Martinez built and designed the exhibit for the club, many of whose members reside in the Orinda, Lafayette and Walnut Creek area.

Vacation Notes: Deer Ate Prunes, Bear Had Bananas

The Louis Martino family has returned from a vacation at Yosemite National Park, Nile Lake and Lake Tahoe.

While they were swimming at Yosemite, deer came down and ate their prunes.

The people who were with them found the print of a bear where the animal had put his paw to eat bananas they had in their car.

A trip through the tunnel to do your shopping costs you at least $2.75 in additional expenses. Shop at home for service and savings.

18½ Feet Across, 5 Feet Tall — Tomato Vine Keeps on Growing!

By DORIS SAGE

In this area, greenthumbers are inclined to brag of the success of their pet crops. Some have even been known to cart outsize fruits, vegetables and flowers to their offices to convince the doubting-Thomas city dwellers that Central Contra Costa County knows how.

Bud Yates of Juanita Drive, Sun Valley, is a bit different. In fact, the trick tomato vine in his garden is getting to the point where it is threatening to engulf the yard, and is probably just an old story to him.

FOR MORE THAN a month, the Yates' have been getting dozens and dozens of small red tomatoes, ranging in size from a dime to that of a dollar, from their volunteer vine.

That isn't astounding in itself — but the vine averages a mammoth 18½ feet across and is over five feet tall, and is still growing!

AND, TOO, the variety is evidently a new one, checking with nurserymen indicates.

Three volunteer plants came up in the Yates' yard last fall, one in front of the house and two at the back. One of those in the back garden, facing the east, struggled along through the winter, growing like the proverbial Jack's beanstalk.

SMALL STAKES GAVE WAY to larger and more supports as the plant grew, until it became too much of a burden for these and was allowed to grow its own unharnessed way.

Tiny regularly formed miniatures of the larger type tomatoes, there are still hundreds of these and more hundreds of blossoms on the giant vine.

And still the vine grows and grows — to make the Yates' the wonder and envy of tomato growing champions of the area.

Christian Science Sermon on 'Soul'

Citations from the Bible and from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will comprise the sermon on the subject "Soul," to be read in all Christian Science churches this Sunday, August 19. Two of the citations will be the following:

Isaiah 35:4-6 "Say to them that are of a fearful heart, Be strong, fear not: behold, your God will come with vengeance, even God with a recompence; he will come and save you. Then the eyes of the blind shall be opened, and the ears of the deaf shall be unstopped. Then shall the lame man leap as an hart, and the tongue of the dumb sing: for in the wilderness shall waters break out, and streams in the desert."

Science and Health: "Neither age nor accident can interfere with the senses of Soul, and there are no other real senses. It is evident that the body as matter has no sensation of its own, and there is no oblivion for Soul and its faculties. Spirit's senses are without pain, and they are forever at peace" (p. 214).

Steinhart Aquarium of the California Academy of Sciences in Golden Gate Park has its first ratfish (a rarity in captivity) — Minnie — and Minnie has just laid two eggs.

Sun Valley Socials

By JOYCE CLIFFORD

1441 Sunset Loop, Walnut Crk. 6074

Little Patricia Thompson of Sutset Loop celebrated her second birthday August 8 with a big party. Attending were Susan and Terry La Rocco, Deborah Dobson, Mollie Morrissey, Deidre and Diane Currier, and Doolie and Birdie Johnson. Alison Reichle, and Linda and Judy Newman were sorry they missed it because of illness.

RICHMOND OUTING

The Duplicate Bridge group had a wonderful evening at the Standard Rod and Gun Club. Guests supplied their own picnic lunch and Chris and Bob Adams served cake and ice cream for all. Some of the gang braved the cold for a brief swim in one of the pools.

There were 16 couples in attendance. Bob's brother, Henry, and his friend came in high. Those attending from Sun Valley were the John Frazers, Bob Adams, Jim Cliffords, and the Dave Saengers.

CARMEL FAREWELL TRIP

The Bob Odiornes and sons of Juanita Drive ventured down to Carmel for the weekend to visit friends. This may be their last trip before moving East where Bob has been transferred by the Navy. They sold their home in the Valley last week.

GREGORY GARDENS SHIFT

The William Balls and their two children have moved from their home on Freeman Road to Gregory Gardens. They plan to rent the Freeman Road home.

HONOR PAPES

The Dave Loofbourrows of El Curtola plan to play host to the Carl Papes. The Carl Papes are the couple who spent many hours instructing Sun Valleyites in the art of Folk Dancing. There will be a pot luck supper. Those who plan to attend are the Does, Rogers Papes, Ottos, Ivys, Graves and Frazers. Have fun!

MOVE IN TOWN

The Robert Sprowles and their family are settling down in their new home on Buena Vista in Walnut Creek. They formerly lived on Freeman Road in the Valley.

WORK PAYS OFF

Mr. and Mrs. Jack Cullens and three sons of Meek Place are having a grand time at Clear Lake. Jack has been working fiendishly getting his boat in ship shape for the vacation.

FLU INTERFERES

Bill Johnston of Sunset Loop just returned from Laguna Beach. He went down to visit his mother and brother. They are from Los Altos, but his mother has been in Laguna visiting his brother now stationed at Camp Pendleton. While there, Bill had a touch of intestinal flu which put "a damper" on things.

TO BRITISH COLUMBIA

The A. L. Axelsons of Ponderosa Lane are visiting friends and relatives in Vancouver and Seattle. They plan to be away for about two weeks.

YOSEMITE VISITORS

The Albert Slays of Ponderosa Lane recently spent a few days enjoying a variety of activities at Yosemite Valley.

VISIT MIDWEST KIN

The Harry Pages of Manzanita Drive are visiting his parents in the midwest. They will probably be gone about three weeks.

MOUNTAIN LAKE VACATION

The Graves, Jim, Barbara and their two sons, Juanita, spent a week at Fallen Leaf Lake.

WELCOME DR. ARNAUD

The Shirey home on Freeman Road has been leased to Dr. and Mrs. Louis Arnaud who moved to the valley from Oakland. Welcome to the Valley!

SUN VALLEY SPIRIT

A pleasing sight greeting many of us on Sunset Loop is a group of mothers playing games with their children each afternoon. They get out and rough it with the youngsters and then retire for refreshments.

TO LONG BEACH

The Don Gaths of Freeman Road along with their sons, Steven and Michael, ventured down to Long Beach for a few days.

BIRTHDAY PARTY

John Sehring is now five years old. Fourteen youngsters helped him celebrate his birthday at home Saturday, August 11. Present were Robbie Adams, Laurel Coates, Milton Clark, Eric Neighbor, Judy and Ricky Agster, Dave Anderson, Carol Morrow, Lee Steckmest, Micky Mohr, Kit Hansen, Bruce Jonas and Patsy Spingola. A grand time was had by all.

CHANGE OF ADDRESS

The Gordon Smiths and Stephen moved over last weekend from their home on Newell Avenue to their new home in St. Mary's Estates. They were sorry to have to miss the duplicate bridge affair at the Rod and Gun Club, but they were mighty busy people.
